TO: Garfield Township Board
FROM: Chloe Macomber, Treasurer
DATE: August 8, 2023
SUBJECT: Tentative ARPA Spending Plan

Dear Township Board,

In the State's 2024 Budget, recently signed by the Governor, the legislature appropriated another 1% in CVT Revenue Sharing for the communities who obligate their ARPA funds by December 31st, 2023. This means if we would like to qualify for those funds, we must obligate our ARPA funds by the end of this calendar year.

In an attempt to get this process started quickly, we have added to the packet a tentative spending plan for how to allocate our ARPA funds, as recommended by the Finance Committee.

After the Board reviews, gives feedback, and is comfortable with the percentages in each category we would like authorization to hand the tentative spending plan over to staff to start the process of putting together a project list for further review by the Board.

Please contact me with any questions or suggestions you may have,

Chloe Macomber
